**DRESS UP
FOR
WORK
DAY
2006**

Go glam, grab your glad rags and razzle dazzle your colleagues whilst raising funds to help cancer patients locally.

Turn up at work in a DJ or bowl over the boss in a ballgown – it's a wonderful way to support the Cobalt Appeal Fund and brighten up a dull day at the office. If the practicalities of your job mean going glam is out of the question, how about a tiara, bow tie, slick hairstyle or even an Ascot-style hat!

Please enter into the spirit, take part and make a donation to purchase additional equipment for cancer patients in our community.
